The *Online Students Grievance Redressal System* is a new initiative taken by the University Grants Commission that facilitates students / complainants to lodge his or her grievance, send reminder and view status on action taken with regard to their grievance(s). The basic aim of the portal is to ensure transparency in admissions, prevent unfair practices in higher educational institutions and provide a mechanism for redressal of their grievances.

The system also facilitates the Institutes to search and browse grievances lodged against the institute and post action taken against the complaints on the portal as well as contact the complainant directly through e-mail, phone or by post.
